Errors in data set: When summerized at national levels, the EP election results at electoral district level differ slightly from the national totals as presented at the Electoral Commission's webpage.

Abroad votes: No information

NUTS structure and electoral units: In national elections, Hungary is divided into 20 electoral districts that correspond to the regions in the NUTS 3 structure. While the whole country comprise one electoral district in the EP elections, results are reported at the NUTS 3 level.
