	Data was downloaded on NUTS 2 level except from in the case of Région de Bruxelles-Capitale/ Brussels Hoofdstedelijk Gewest (BE10) and Prov. Vlaams Brabant (BE24) (see notes section).
	Norwegian Social Science Data Services (NSD)

Electoral districts and NUTS structure:

Data on NUTS 3 level is not available for Belgium. NUTS 3 correspond to the administrative arrondissements, however not to the electoral circonscriptions. The original data is published on the canton level, which is not easily aggregated to the NUTS structure. For the EP election of 2004 data is thus presented at NUTS 2 level (provinces). The provinces correspond to the NUTS 2 units in all cases except from Région de Bruxelles-Capitale/ Brussels Hoofdstedelijk Gewest (BE10) and Prov. Vlaams Brabant (BE24). The arrondissement of Halle-Vilvoorde (BE241) is in the original data published as part of BE10. In order to present data in accordance with the NUTS structure Halle-Vilvoorde is thus aggregated with the BE24.
